Promoting responsible racing on Britain's roads – learn how you can look

- Look after yourself on the open road
- Be alert to the riders around you as well with the vehicles you share the road
- As well as your own safety think about the rider on your shoulder
- Think twice before you dive for a gap
- Pass on knowledge to new and less experienced riders, helping them to Racesmart too

Please note: A neutral service vehicle is being provided and riders are invited to bring spare wheels.
