

What's Parag On

Issue 3
12 January 2006

I hope all of you had a good festive break and wish you a good and successful New Year.

The sad events over last 2 weeks where 5 racing cyclists have been killed in two separate incidents is a stark reminder to everybody about the need to be vigilant when out riding, particularly at this time of year. I feel sure our thoughts go out to everybody concerned.

What's Gone in Brief

AGM: The impressive turnout for the 2004 meeting was not maintained this year and the meeting was started in anticipation of a quorum which never happened.

Main points from the meeting:

- Les Black was unanimously elected President
- the accounts still need to be finalised and audited, these will distributed when complete.
- Terry Slattery was elected Chairman with Peter Ansell taking over as Gen Sec. Dave Adams is now the Time Trial Sec and the posts of Road & Track Secretaries have been merged with Stephen Roach the new Sec. A new post of Webmaster was agreed and Geoff Duck continues in that role.

Club Darts Championship: This was won by Peter Ansell in a tight final match against Keith Butler.

Club Downhill Competition and Christmas Lunch : The fine weather brought out good field of 15 riders for the Downhill Championship which resulted in a fine first time win for Mike Hawkins, who managed to make it to the main road. Keith Butler was a distant second!

The Christmas lunch was the usual lively affair at the Inn on the Pond, South Nutfield and was attended by 50 members, partners and friends. John Cleeve was thanked for his work in connection with the Club and was presented with a voucher for golf lessons.

What's On

Every Weekend: Club runs are held every Saturday and Sunday, most are on the road although there are plans to have some off road runs if the roads are icy. Saturday runs meet 9.00 am at Tesco Purley. There is a second "rolling" pickup at 9.30 am at the junction of Hilltop Lane and Spring Bottom Lane near Merstham, runs normally last about 2 hours. Sunday rides start from the Feathers, Merstham at 9.30 am. A second rolling pickup is at Reigate Clocktower. These rides are longer 4 – 5 hours and at a faster tempo.
