## *The Racing's Started*

All those long, hard, cold and wet training miles over the winter have paid off with the Paragon road team starting the season in the same way as it finished the last. Chris Moores took an excellent second place in Saturday's 60 mile SCRL race around Crowhurst after being in the winning 4 man break for most of the race. He was ably backed by Mike Hawkins, 6th and Simon Warren, 13th. Unfortunately Russell Painter failed to complete the distance due to cramp.

On Sunday, Dave Mascall followed this up with a fine third place in the SCRL (Festival RC) 55 mile event around Alfold. These results bode well for the SCRL Easter 3 day.

## *What's Gone in Brief*

January and February are traditionally quiet months with riders putting in solid training miles. This has been augmented by reliability trials, the most notable being the CTC Hilly around the lanes of Surrey. The club had a large contingent which was drawn from all sections of the club. There are some memorable pictures on [www.samanthalamb.co.uk](http://www.samanthalamb.co.uk) of Ian Murray dropping Addiscombe riders on one of the steeper hills!

The training weekend took place on the 25 & 26 February and was well attended with six riders going for both days and more joining them for the Sunday session.
