Issue 7
4th March 2007

Membership of the club is on the up with seven new members joining since the last issue of What's ParagOn. Six of them are new to the club and the seventh is an old friend of the club who has rejoined.

Club Trophies - The club has numerous trophies and a majority of them were awarded for time trial performances, with only five designated for road racing. Nearly all of our racing members are now riding road races so it was decided at the last AGM to reallocate five trophies to reflect the change in racing and acknowledge the achievements of riders at all abilities.

There is now a trophy for each of the following: the Juvenile gaining the most BC ranking points in their age category; the best placed NP rider in the Les Ingman road race; the fourth cat gaining the most BC ranking points during the season; the third cat gaining the most BC ranking points during the season; the second cat gaining the most BC ranking points during the season.

The enclosed 2007 Club Handbook contains further details of all the club's trophies.
