

What's Parag On

Published by Peter Ansell

Issue 15
September 2009

I have been asked to put together a What's ParagOn due to delays in the publication of Blah.

Quick round up of significant results: Steve Calland won both the SE Region Road Race Championship and the club's Les Ingman Memorial RR and then had a mountain bike accident which interrupted his season. New member James Stuart has won a number of events and turned in a number excellent TT performances, he also won the Evening TT series. Kaye Patton / Steve Watkins and Stephen Roach / Nick Ffoukes successfully completed the TransAlp 7 day, one of the most challenging MTB races on the calendar.

The club successfully promoted 3 events this year: Les Ingman won by Steve Calland, The Robin Buchan Open 25 won by Steve Dennis 52:45 and the SCRL Handicap RR Champs won by Gary Dodd with James Stuart 3rd.

Both Andy Murray and Mike Hawkins are on the mend after their horrific accidents. Alas Chris Moores is still having problems with his knees and is unable to ride, let alone race.

Full reports and results can be found on the club's website.
